

KAY[®] Grill Cleaning Pad Holder

SNAP TO IT! With its ergonomic design, extended reach, and larger pad snapped securely in place, the KAY Grill Cleaning Pad Holder promotes cleanliness like never before. The Grill Cleaning Pad Holder reaches the front, back, sides, and beveled edges of hot surfaces. Lightweight, durable, and with a heat tolerance up to 450°F/232°C, the Grill Cleaning Pad Holder was designed with safety and efficiency in mind.

- ▲ Patent-pending, ergonomically designed handle – promotes time and labor savings; offers greater leverage and reduced slipping
- ▲ Pad locking system – quickly and securely fastens pad to handle with a snap
- ▲ Larger pads – greater surface area for cleaning

THE KAY[®] GRILL CLEANING PAD HOLDER ADVANTAGE - FASTER, CLEANER, SAFER

- ▲ Improves Equipment Function
- ▲ Improves Cleanliness
- ▲ Improves Product Quality

Holder: 1 holder, 1 pad, instructions

Pads: 10 pads per case

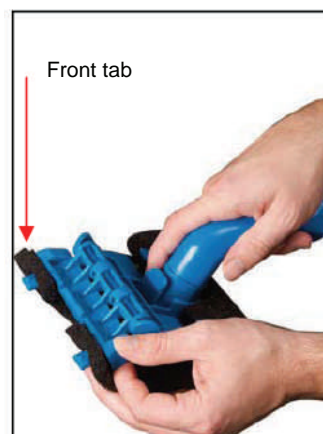

ASSEMBLY:

1. Push release button and pull up on hinged top

2. Secure pad by inserting it onto back tabs

3. Insert opposite side onto front tabs

4. Snap hinged top closed

IMPORTANT:

Do not allow an uncovered tool to have prolonged contact with hot surfaces.
