4. Remove cap and carefully reinsert the suction lances back into the new bottle
5. Retighten the cap
6. Dispose of empty containers responsibly, always replace with the new cap

ECOLABEL:

The EU Ecolabel is a label of environmental excellence that is awarded to products and services meeting high environmental standards throughout their life-cycle: from raw material extraction, to production, distribution and disposal. The EU Ecolabel promotes the circular economy by encouraging producers to generate less waste and CO2 during the manufacturing process.

EU-flower is part of a multi-component system and only valid if the dosage recommendations are followed. To be used in-conjunction with TOPCLIN Laundry Softener.

APPLICATION:

For use in automatic washing machines on washable textiles made of polyester, cotton, linen and viscose.

Only for use in combination with a Liquid Dosing Unit.

Dosage Recommendation:
 Low Soil: 5 ml/KG
 Medium Soil: 6 ml/KG
 High Soil: 8 ml/KG

SAFETY & STORAGE:

- Do not mix with any other product.
- For further information and safety instructions, please see product label and Safety Data Sheet.
- Store between 5°C and 40 °C in original closed container only.
